

SANTA CLARA UNIFIED SCHOOL DISTRICT

June 2008

TO: Parents, Guardians and Students

FROM: Steve Stavis, Superintendent

The State Education Code and other applicable legislatively mandated laws sometimes become a source of confusion and misunderstanding between and among parents and the school. I feel it is important that each of you have the opportunity to review the various laws/mandates as they relate to important areas we believe support our ability to provide safe schools.

Parents are asked to review this packet in its entirety. The district feels it is very important that you are aware of these policies and procedures. I cannot stress enough the importance of your understanding about these laws. We are truly committed to enforce these provisions.

The law requires your acknowledgement of receipt of this notice. Please sign and date the (A section) acknowledgement portion of this letter below as well as the (B and C sections), Student Use of Technology Permission Slip and the Cable-Access Broadcast Student Release Agreement. Information regarding these agreements is covered on pages 30-31 and 32 respectively in this handbook. After signing the front and back of this signature page, please return it to the school(s) where your child(ren) attend.

If you have any questions or concerns about the information included in this packet, please contact your principal or my office.
