Weekly News

Principal Debi Bodenheimer's Newsletter for Don Callejon Families · Wednesday, January 31, 2007

100 day:

We will be celebrating 100 day on February 7th (please note the date change!) If you are interested in doing 100 day projects and helping out, please contact Brenna Burnette, Kindergarten teacher.

Attention Middle School Parents:

- As our children move into adolescence, what do they need from us as parents?
- Should I give my teen "their space"? What does that really mean?
- How can I protect my child from at risk behavior?
- Are there things I can do at home to make sure my teen does his/her best academically?

If you are curious about the above questions, please don't miss the Don Callejon Middle School parent night with Project Cornerstone, Tuesday, February 13, 2007 in the library from 7:00 to 8:00 pm. We hope to see you there. Parents from all grade levels are welcome to attend.

DCSCO Family Movie Night:

The second Family Movie Night was a great success. DCSCO, sponsored by Stephanie Schley, put on a great evening for our Don Callejon families. Everyone enjoyed watching *The Ant Bully*, and eating pizza, popcorn, and other refreshments. Thank you to everyone who helped to put on the event, and thank you to everyone who attended. Stay tuned for the next movie night... and please join us for this free, community event!

Staff Development Days:

Don Callejon is on the elementary calendar for district Staff Development days. That means that our next two days (when students do NOT have school) are March 30th and May 25th. Students WILL have school on April 4th.

D.A.R.E. (Drug Abuse Resistance Education)

Officer Davis of the Santa Clara Police Department will be on campus Mondays teaching all 5th grade students about Drug Awareness and exceptional decision making. For more information, please contact Mr. Stack.

Electronic Newsletter:

We have begun sending this newsletter via email to families who have completed the "Email Authorization Form" and provided at least one email address. This content, along with electronic versions of flyers distributed each Wednesday, are also available on the school's website at www.doncallejon.org/news.

Beginning next week, we plan to stop the distribution of paper copies of the newsletter and flyers to elementary students whose parents have agreed to alternatively receive electronic communications. To sign-up to receive information by email or to update your email address, please complete the "Email Authorization Form" in the school office. Each family may register multiple email addresses, allowing family members to receive messages at home and/or work.

We are pleased that over half of the school families have already agreed to receive information electronically. Thank you for participating in this aspect of the Don Callejon School Green Campus initiative, helping us save trees, protect the environment, and reduce printing costs.

Problem of the month:

All Don Callejon students will be participating in a math event called "Problem of the Month". Everyone (K-8) is doing "Growing Staircases" this month. Middle School students will be helping the younger students with the problem. We will culminate our mathematical thinking with a poster walk on February 9th. More information to come.

Noon Duty Subs:

Are you interested in being an on-call noon duty sub? It is a paid position that we need people to fill. If you are available from 11:30 a.m. – 1:00 p.m. for an on-call position. If you are interested in this position, please call or come to the school office for more information.
