Weekly News

Principal Hans Barber's Newsletter for Don Callejon Families · Wednesday, April 9, 2008

Dear Don Callejon Families,

As you know, next week is Spring Break. Please enjoy this time off with your students before we hit the home stretch to the end of the year.

STAR Testing for Grades 2-5 will begin on Tuesday after Spring Break and last for two weeks. STAR Testing for Middle School will begin on Tuesday, April 29 and last for two weeks. Please encourage your student(s) to do their absolute best work on these tests. We are confident that our scores will rise this year, but we can't do it without your support. As always, please make sure that your student(s) eat breakfast and are on time for school during the two weeks of testing. Please try to schedule all appointments after school during this time to avoid interruptions in the classrooms during testing.

This Friday from 1-2PM we will have our Jump for Heart Fundraiser activity. This should be a great time for all students!

Thank you for your continued support and enjoy your Spring Break!

Practice Makes Perfect: Don't Hit the Panic Button:

May 21st will be a district-wide Emergency simulation drill. SCUUSD and Santa Clara Fire and Police departments will be practicing emergency procedures on all campuses. It is important for parents, students and staff to remember the activities on May 21st are a simulation so we can all be prepared in the case that a real emergency occurs in the future. Please let your principal know if you see methods or procedures that can be improved.

La Práctica Hace al Maestro: No Oprima el Botón del Pánico

El 21 de mayo habrá un ejercicio de simulacro en caso de Emergencia a través de todo el distrito. El Distrito Escolar Unificado de Santa Clara/SCUUSD y los departamentos de bomberos y policía de Santa Clara estarán practicando procedimientos de emergencia en todos los recintos escolares. Es importante que los padres de familia, estudiantes y personal escolar recuerden que las actividades que se llevarán a cabo el 21 de mayo son un simulacro para que todos estemos preparados en caso que en un futuro ocurra una verdadera emergencia. Por favor comuníquese con su director/a si usted observa métodos o procedimientos que se puedan mejorar.
