Dear Don Callejon Families,

Can you believe that January is almost over? We have had a very exciting month of learning and activities at DCS and we have some more great events happening this week. This Thursday, we will have our first home boy's basketball game versus Kipp Heartwood Academy. On Friday we will have our Megaskills Assembly and Student of the Month Luncheon. Next Wednesday night, we will be having our annual talent show. This year's show promises to be a fun and exciting time for all. We look forward to seeing you out there supporting our Don Callejon Cubs!

As always, we thank you for your continued support and enthusiasm for our school, and encourage you to contact us with any questions or concerns you may have.

Open Enrollment Kindergarten – Twelfth Grade:

The Open Enrollment program for the 2009-2010 school year will be conducted from January 7 to February 6, 2009. Parents of students wishing to attend a school other than their school of residence must first provide proof of residency to their school of residence, receive a permanent student number (this is a different number than you have used in past years) and then complete the Open Enrollment application on the District website @ www.santaclarausd.net. The link to the application form, school visitation dates and requirements, as well as other important information concerning this process will appear on the District website home page.

Intradistrict Transfer Students / Open Enrollment:

Students currently attending a school, other than their school of residence, on an Intradistrict Transfer should apply for the opportunity to continue at that school through the Open Enrollment process. Only students accepted to a school through the Open Enrollment process are guaranteed placement for the following year. Students attending on an Intradistrict Transfer are subject to losing their placement at the beginning of each new school year as well as during the school year if new students move into that school's attendance area. Parents are therefore urged to **apply** through **Open Enrollment** if they **wish their student to remain** at the school of choice as once a student is accepted through Open Enrollment; the choice school becomes the student's permanent placement through the grade span served at that school.
